

# Conjunctions

join words, phrases  
and clauses together.

## Coordinating conjunctions

Conjunction	Function
for	a reason/cause
and	in addition to
nor	also not
but	contrast
or	option
yet	contrast
so	consequence (not to be confused with 'so that')

Ask yourself:  
What conjunction  
communicates the  
relationship between  
the clauses I am  
connecting?

## Subordinating conjunctions

Time	Place	Reason or Purpose	Comparison
after as soon as before just as now that once since until when while whenever	where wherever	because since so that as	than rather than whether
	Manner	Concession or Contrast	Condition
	how as if as though	though although even though	if unless only if
